WILLIAM SPRY, GOVERNOR.

To William Spry, yesterday inaugurated as the third governor of the state

It believed that the election of Mr. Knight would have tended greatly to solve the gravest problem that con- trade is constantly increasing. The fronts Utah. Mr. Knight was absosort. Mr. Spry, unfortunately, was an upon the American market, the reason essential cog in the Smoot machine, assigned being that only nuts of the Largely because he was such, he was best quality are shipped to the United elected and has now four years to serve States. It is stated that it is possible in the highest state office.

Governor Spry, believes that he will States than one can purchase in Limowillingly do aught except what he be- ges, close to the walnut country.

THE PRESIDENT'S MESSAGE.

Aside from calling attention to the fact that two senators and three memment, part of the evidence against the delinquents having been secured by secret service officers and, incidentally, variance with the truth, the president's message, in answer to the Perkins resother words, the expected outburst extent and the sun, moon and stars continue to occupy their respective places in the blue vaults above.

resolution passed by the house, the

requested to transmit to the house any evidence upon which he based his statements that the 'chief argument in favor of the provision was that the congressmen did not themselves wish to be investigated by secret service men, and the dead and caring for the wounded also to transmit to the house any evidence connecting any member of the house of representatives of the Sixtieth United States to the other money is be-

Roosevelt now says that he has made no charges of corruption against any and oppression practiced by some of the member of the present house, but if he great powers upon the weak, civic corhad proof of such corruption in any ruption and moral degeneracy of the matter as to which the federal govern- individual man, the world is steadily ment has jurisdiction, action would at growing better as it advances in civilonce be brought, which is probably true ization and the beautiful idea of the so far as some of the members of the brotherhood of man is clearly demon-

Messrs. Smith and Fitzgerald also come in for their share of the condemnation.

Much attention is given a special ar- of action. Retreat was sounded in time ticle in the Chicago Inter Ocean, written by L. W. Busby, who was private secretary to Speaker Cannon at the time, which attacked the practice of the administration in using the secret service for any and all purposes. Of Busby's article, the president says:

"At the time of this publication the work of the secret service, which was the winter thus assailed, included especially the investigation of the great land frauds in the west, and the securing of evidence to help the department of justice if his message accomplished no other in the beef trust investigations at Chi- purpose cago, which resulted in successful pros-
